

## Hot Tub Wiring Guide

Hydropool 495/570/670/695:      40A      #8-3 wire

Hydropool 720/770:                      50A      #6-3 wire

Hydropool 4500/6600:                  40A      #8-3 wire

Dreammaker 240v:                      40A      #8-3 wire

Swimspas (Sport)                      60A      #6-3 wire

Swimspas (Trainer)                      60A      #6-3 wire

Also requires a splitter box to split the incoming 60A feed to the two spa packs.
