

LeonLite

4W EMERGENCY LED DRIVER

Dependably Durable

Output wattage
4W

Input voltage
120-277V AC

Battery type
Ni-Cd battery

Working temp
32°F-122°F

Output voltage
3-60V DC

Discharging time
≥90 minutes

Battery capacity
4.8V 2800mAh

Color
White

Waterproof rating
Indoor damp location

- The compact sizes are perfect for a wide variety of LED fixtures
- 120-277V wide voltage range makes it great for residential and commercial applications
- Suitable for commercial lightings, office panel lights and many other main lightings
- Supplies power to lamps in an emergency, protects your safety
- Compatible with our low bay lights & wraparound lights

Caution: PLEASE turn off the power at the fuse box or circuit breaker before installing. ONLY use on 120-277V 50-60Hz circuits. Indoor damp location rated. DO NOT use where direct water exposure occurs as this can lead to electric shocks. DO NOT use this device near any source of heat. PLEASE keep this product out of the reach of children under 3 years old.

Warranty: LEONLITE warrants that this product is free from defects in materials and workmanship for a period of 2 years from the day of purchase. This warranty does not apply if the product has been damaged through misuse, abuse, accident, modifications, alterations, neglect or mishandling.
