3000K

BR40 LED Dimmable Bulb

- Beam angle**
110°
- Voltage**
120V
- Working temp**
-4°F-104°F
- Lifespan**
25,000hrs
- Waterproof rating**
Damp Location
- Wattage**
17W
- Luminous flux**
1400lm
- Dimming range**
10%-100%
- Equivalent wattage**
100W

- UL & Energy Star listed bulb ensures safe operation and high quality
- With a high CRI of 80, shows object colors realistically and naturally
- 100%-10% smooth dimming without buzzing, glaring or flickering
- Comes with a 3-year warranty which is an extra protection for you
- Energy-efficient bulbs, able to replace 100-watt incandescent lamps

Caution: PLEASE turn off the power at the fuse box or circuit breaker before beginning installation. This fixture is not intended for use with emergency exit lamps or fixtures. ONLY use this light on 120V circuits. May not be compatible with all dimmer switches. The bulb is suitable for damp locations. DO NOT use or install this product in areas of direct weather exposure or near sources of water and/or heat. PLEASE keep this device out of the reach of children under 3 years of age.

Warranty: TORCHSTAR warrants that this product is free from defects in materials and workmanship for a period of 3 years from the day of purchase. If the product has been misused, damaged by accident or in any other way of improper use, this warranty becomes void. For further information, please go to www.torchstar.us
