

LED HIGH BAY LIGHT

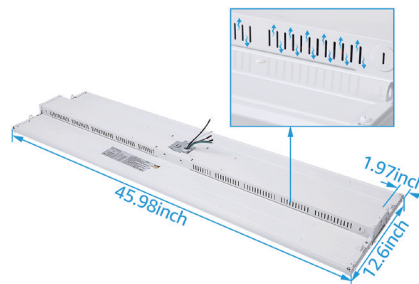

225W Linear High Bay Light

This 225W LED linear high bay light can work under 120-277V voltage and can be easily suspended mounted to the ceiling with the included chains and hooks. It is an excellent choice for large-area lighting such as stadiums, garages, warehouses, supermarkets, etc.

EXCELLENT HEAT DISSIPATION

Better heat dissipation extends its lifespan

About this item

1-10V dimming easily adjusts the brightness to your needs
225W for a total of 29,250lm of brightness, equivalent to a 1500W halogen lamp
Can be used with an emergency driver or a motion sensor (not included)
UL listed ensures high quality and safe use
50,000hrs long lifespan, backed by a 5-year warranty

Technical Information

| | |
|-----------------------|---|
| Wattage: | 225W |
| Voltage: | AC 120-277V |
| Dimming Type: | 1-10V |
| Luminous Flux: | 29,250lm |
| CRI: | >80 |
| Beam Angle: | 110° |
| Color: | 5000K |
| Working Temp: | -40°F-113°F |
| Lifespan: | 50,000hrs |
| Warranty: | 5 years |
| Equivalent: | 1,500W |
| Waterproof Rating: | Damp location |
| Dimensions: | 45.98inch (L) × 12.6inch (W) × 1.97inch (H) |
| Certification: | UL listed |
