

LED FLOOD LIGHT

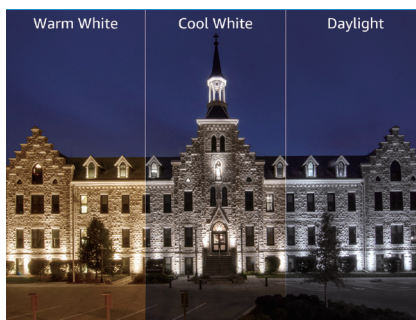

100W CCT Selectable Outdoor Area Light

As a perfect energy-efficient replacement for traditional lighting fixtures, this extremely bright & long lasting LED floodlight allows you to switch among 3 color temperatures including 3000K warm white, 4000K cool white, and 5000K daylight.

50,000 hours

Waterproof Rating IP65

1-10V DIMMABLE

About this item

When the light's turned on, everything in sight would be brilliantly illuminated. Maybe a little too bright for late night? Don't worry, it's also 1-10V dimmable. Die-casted aluminum housing provides amazing corrosion resistance and heat dissipation. 180° rotatable knuckle mount for flexible lighting direction.
