

# LED SECURITY LIGHT

## 20W Dual Head Motion Activated Floodlight

Equipped with a superior motion sensor, this dual-head security light features 180° detection angle and maximum 70ft long detection distance, suitable for both residential and commercial use. Designed with a durable and rugged housing, the light can resist bad weather and erosion, providing 50,000 hours long stable lighting performance.

### 3 Operation Modes

#### About this item

IP65 waterproof rating ensures the light is protected against even harsh weather conditions. The integrated design saves time for replacing bulbs, also enhancing the water resistance. Easily rotatable light heads and lens hoods light up the areas of your needs without disturbing the neighbors. 1800lm high brightness equivalent to 150W traditional lights, efficient for your nighttime outdoor activities.

### Technical Information

Wattage:	20 W
Voltage:	100-277V
Waterproof Rating:	Wet location
Material:	Die-casted aluminum
Color:	3000K/5000K
Luminous Flux:	1800lm
Lifespan:	50,000hrs
Beam Angle:	100°
Certification:	ETL
Warranty:	5 years
Equivalent:	150W
Working Temp:	-4°F-113°F
Detection Angle:	180°
CRI:	>80
