PAIRING TO ONE DEVICE

A. While headset is off, press and hold "MFB" for 4-6 seconds to enter pairing mode. The LED will alternate flashing blue and red.

B. In your phone's or your PC's BT pairing screen, click DELTON30X to connect to the headset. The LED will slow flash blue when the headset is connected.

PAIRING TO TWO DEVICES

A. Follow BT PAIRING INSTRUCTIONS with first phone or PC then turn off BT function of first phone or PC. The headset will enter pairing mode automatically and LED will alternate flashing blue and red.

B. Turn on the BT function of second phone or PC to search and connect to DELTON30X. The LED will slow flash blue when the headset is connected.

C. Turn on BT function of first phone or PC, click to reconnect "DELTON30X"on BT lists. Headset is connected with two devices now.

* Music can only be played from one device under two connections, when you want to play music from another device, you need to pause or close the music of the previous device.
