ENGLISH BREAKFAST

Tudor's English Breakfast is a combination of the finest Teas from around the world. Assam Tea forms the foundation of this Classic blend using leaf picked during the seasonal quality peak.

The Continent of Africa provides that bright pungent and refreshing character with teas from Rwanda. Finally, the superb golden liquors of Ceylon adds that delicate flavour to achieve a true Masterpiece. These skilfully chosen components promise to offer a Tea of real distinction.

COLOUR	Bright, amber and golden
CHARACTER	Pungent, malty and quite flavoury
STRENGTH	Full bodied and rounded

CHAMOMILE

Lemon flavoured herbal infusion comes with Chamomile leaves with a subtle boost of fresh lemon grass and verbena. This herbal tea is naturally free of caffeine, which may be linked to health benefits such as improved sleep and relaxation. It may also help reduce blood pressure and alleviate digestive and inflammation problems too. Attractive light golden liquor with a citrus character.

COLOUR	Light golden liquor
CHARACTER	Citrus
STRENGTH	Delicate and subtle

EARL GREY

Earl Grey is a superlative blend of teas chosen from the enigmatic Orient. Their distinctive characteristics are enhanced by the skilful addition of natural oil of Bergamot. Together, they create a pale liquor, noted for its elegant, scented character and flavour. Earl Grey is the ideal choice for those seeking to discover a delightfully refreshing alternative cup of tea.

COLOUR	Light/Pale
CHARACTER	Fragrant, scented and refreshing
STRENGTH	Delicate and subtle

ASSAM

India is the world's largest tea producer with the Teas sourced from the Assam Valley being probably the most famous of all. The peak quality, known as second-flush, is produced around late June to mid-July. Assam Teas are noted for their full bodied, rich, malty character and is best suited to those who appreciate a strong liquoring Tea. Tudor guarantees to provide Assam Tea of the highest calibre.

COLOUR	Amber/Red
CHARACTER	Rich and malty flavoured
STRENGTH	Rounded and full bodied

GREEN TEA (WHOLE LEAF)

Green Tea is derived by the plantations completing the fermentation process much earlier than it would be when producing black tea. The flavours produced are far more subtle, the infusion offers a smooth, light and fresh aroma with slightly sweet, fruity undertones. An ideal all-day drink, for best results avoid infusing with boiling water, please serve at around 80-85 degrees. This tea may be linked to health benefits such as improved blood sugar control and may also enhance weight control too due to it boosting one's metabolic rate. Attractive light green liquor with a light and fresh aroma.

COLOUR	Light green
CHARACTER	Light and fresh aroma
STRENGTH	Delicate and subtle

PEPPERMINT

Peppermint tea is naturally free of caffeine, which may be linked to health benefits such as improving digestion and improving awareness and sense of well-being. Attractive green liquor bursting with a refreshing mint character.

COLOUR	Attractive green
CHARACTER	Refreshing mint
STRENGTH	Delicate and subtle
