DECORATIVE CONCRETE SOLUTIONS

Technical Data Sheet

Belsyn Finish™

GFRC Refiner

Description:

Belsyn Finish™ is a safe, powerful non acid-based cleaner, specifically formulated to clean, brighten and gently etch GFRC fabricated pieces. This Belsyn Finish™ GFRC Refiner requires no neutralizing step, has no odor, and is 100% biodegradable.

Appearance/Color:

Clear

Coverage:

750 sq ft

Architectural Fabrication

Concrete Etching

Indoor or Outdoor

BELSYN

DECORATIVE CONCRETE SOLUTIONS

Technical Data Sheet

Technology/ Advantages:

- Etches GFRC - cleans and gives porosity before color or sealing
- Concentrated - one gallon makes up to three (3) gallons
- 100% biodegradable - safe, non-acid based cleaner
- No odor - no smell, not a skin irritant, non-corrosive
- No neutralizing - no required neutralizing step after etching
- Fast-acting formula - safely use on interior and exterior applications
- Eliminates need to use harsh chemicals - provides a safer work environment.
- Increases the life of concrete equipment - can be used to clean and remove light concrete build up from tools and equipment as well as mortar from bricks and tools.
- Can be used straight or diluted - A maximum 2 parts water : 1 part Belsyn Finish™ ratio may be used

TYPICAL PROPERTIES :

Appearance - Yellowish, clear liquid

Packaging - 1 gallon concentrate (3.78 L), 55 gallon (208 L) drums

Reconstitution:

1. Only mix with water. Mix solution slowly in an open-top plastic container. Stir gently. Ratio varies by desired use: for a lighter etch, two (2) parts water to one (1) part Belsyn Finish™; for a medium etch, one (1) part water to one (1) part Belsyn Finish™ and for a heavier etch, full strength.

Application:

1. Always test a small area before application to ensure desired ratio, etch time, coverage rates and to verify application technique.
2. Before cleaning or etching, make sure the concrete is free of all oil, contaminants, grease, dirt and rust stains (will not clean grease, oil or rust spots).
3. First mist the substrate with water. Apply using a low-pressure pump sprayer. Allow the solution to sit on the substrate for three (3) to ten (10) minutes. Flush thoroughly with clean water. You do not need to neutralize after using Belsyn Finish™.

Clean Up:

Clean equipment and tools with hot soapy water. Unused or old material may be disposed of in a waste disposal site in accordance with local, state and federal laws.

Technical Data Sheet

Precautions/Safety:

Avoid contact with skin, eyes and clothing, do not take internally. Use appropriate safety equipment during application and handling. Please refer to the safety data sheet (SDS) for additional precautionary instructions before use.

Best Performance:

- Proper application is the responsibility of the user.
- Make sure the most current versions of product data sheets and SDS are being used.
- For professional use only. Keep out of reach of children.

Coverage:

Belsyn Finish™ is concentrated. 1 gallon can cover up to 750 sq. ft. Variations in texture and porosity of substrate may affect the coverage and performance of the product.
