

PRODUCT WARRANTY

Arlec guarantees this product in accordance with the Australian Consumer Law and all other applicable Australian and New Zealand laws that are unable to be excluded.

Arlec also warrants to the original first purchaser of this product (you) from a retailer with which this document is given that this product will be free of defects in materials and workmanship for a period of 12 months from the date of purchase; provided the product is not used or installed other than for the purpose, or in a manner not within the scope of the recommendations and limitations, specified by Arlec, is new and not damaged at the time of purchase, has been properly installed by a licensed electrician or contractor who is licensed to install electrical products in the place in which the product was installed and in accordance with Arlec's installation instructions, has been maintained in accordance with the recommendations specified by Arlec, has not been subjected to abuse, misuse, neglect or damage, has not been modified or repaired without the approval of Arlec and has not been used for, or installed in premises which are used for, commercial purposes (Warranty).

If you wish to claim on the Warranty, you must, at your own expense, return the product or that part of the product which you believe is defective in materials and workmanship, and provide proof of original purchase, your name, address and telephone number and a certificate of installation or other document required by law for the installation of electrical products in the place in which the product was installed issued by the licensed electrician or contractor who installed the product, to Arlec at the address below within 12 months from the date of purchase. Please note that the Warranty does not cover removal or re-installation of the product or that part of the product which you believe is defective.

Arlec will assess any claim you may make on the Warranty in the above manner and if, in Arlec's reasonable opinion, the Warranty applies, Arlec will at its own option and expense replace the product (or part of the product) with the same or similar product (or part of the product) or repair the product (or part of the product) and return it to you or refund the price you paid for the product. Arlec will bear its own expenses of doing those things, and you must bear any other expenses of claiming on the Warranty.

For goods purchased in Australia (only):

The Warranty is in addition to other rights and remedies you may have under a law in relation to the product to which the Warranty relates.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

For goods purchased in New Zealand (only):

The Warranty is in addition to, and does not affect, other rights and remedies you may have under a law in relation to the product to which the Warranty relates.

Our goods may come with guarantees that can only be excluded under the New Zealand Consumer Guarantees Act 1993 to the extent you are acquiring the product for a business purpose and it would be fair and reasonable for Arlec to contract out of those guarantees.

Arlec Australia Pty. Ltd. ACN 009 322 105 gives the Warranty for goods purchased from a retailer in Australia by you and Arlec New Zealand Limited NZBN 9429030738294 gives the Warranty for goods purchased from a retailer in New Zealand by you (collectively Arlec).

LED SENSOR BAR LIGHT

UC0122

Instruction Manual

IMPORTANT!
PLEASE READ THESE
INSTRUCTIONS CAREFULLY.

FEATURES

- Senses movement within 1 metre distance and illuminates for approximately 20 seconds when triggered.
- 9 Super Bright LEDs.
- 360° Swivel head.
- Ideal for undercabinet lighting, bedrooms, kitchens, basements and wardrobes.
- Easy installation using attached mounting bracket for wall or undercabinet mounting.
- Requires only 3 x AA batteries for operation.
- No bulbs to replace.

INSTALLATION

Mounting bracket is attached to the rear of the swivel light. Simply fix 2 screws into mounting surface then slide the mounting bracket over screws to lock into position.

BATTERY INSTALLATION

Rotate light to expose battery cover. Lift battery cover and insert 3 x AA batteries with polarity as marked. See Figure 1.

FIGURE 1

OPERATING INSTRUCTIONS

The push button switch turns light on and off, with a sensor that detects movement within a 1 metre range.

If movement is detected, it will stay illuminated for approximately 20 seconds.

SAFETY INFORMATION

- This product is designed for indoor use only.
- Not for use in wet or damp locations.
- Do not mix any old or new battery types.
- Replace all batteries at the same time.
- Replace fully discharged batteries immediately, otherwise batteries may leak harmful liquids and cause injury/damage.
- Remove batteries if light is unlikely to be used for extended periods.

CARE AND CLEANING

- Switch off before cleaning.
- Clean the exterior with a damp cloth, then wipe dry.
- Do not use abrasive cleaners or solvents.
