Vintage Air SureFit Gen IV kits are the most complete, bolt-in climate control systems available. All SureFit systems provide full OEM-style operations including air conditioning, floor or vent exit heating and a powerful dehumidified defroster. To retain a true factory look, the A/C air exits through the factory dash louvers, if originally equipped in your vehicles dash.

Complete kits include evaporator unit and mounting brackets, louvers (where required), duct hose, wiring harness, new rotary controls, all under-hood components such as compressor, engine brackets, condenser with brackets, preformed refrigerant lines, drier, fittings, hardware and installation instructions.

**RETURNS:**

We consider all sales final unless the part is either (1) Defective (2) Not the correct part. Refunds are for the cost of the merchandise only and do NOT include shipping and handling charges unless the item sent was incorrect or damaged during shipment. Parts which installation has been completed or attempted are not returnable. It is the customer's responsibility to check parts for correct fit BEFORE installation. A part that has been disassembled, drilled, welded, cut, painted, or modified in any way cannot be returned. Any incomplete kit cannot be returned. Installation, disassembly or modification done by a third party on behalf of a customer is not an exception to our policy. The purchaser has full responsibility for the condition of the part. Refunds are made in the same manner in which the payment was received. Credit to your charge card or refund check if you paid by check. Refunds on orders paid by check will be issued after 10 working days from receipt of check. Refunds of less than \$1 will not be refunded without customer request. Item(s) must be received in new or unused condition. Any item returned that is missing parts will not be refunded. All items being returned MUST use Delivery Confirmation to help assure we receive your package. The Return Merchandise Authorization (RMA) number must be clearly printed on the outside of your return package. All returns must have shipping charges prepaid, including duties, customs and special handling charges, where applicable. We recommend that you return your items via UPS for better service and traceability. COD's will NOT be accepted. On returns due to our error, your shipping expense will be reimbursed based only upon UPS ground charges. If a reship is necessary, we will pay ground shipping charges. Call for return authorization on Truck Freight parts

**DO NOT USE A P.O. BOX FOR A SHIPPING ADDRESS**

UPS and FEDEX do not deliver to post office boxes and your shipment could be delayed. Currently, we only ship within the contiguous United States.

**How shipping charges are determined:**

Shipping and handling charges are calculated based on the number of items you order and the shipping method you choose. CPI Truck charges a **minimum \$10.99 shipping charge**.

**\*All orders are subject to shipping charges verification before being processed.**

- **No free delivery on orders outside the 48 contiguous United States.**
- Orders must ship complete.
- Your responsibilities include additional delivery costs, oversized and overweight charges which will be added to your order.
- You must provide a daytime telephone number with your order. Ten days after the third attempt to contact you, your order will be cancelled.
- We reserve the right to choose the method of shipment
