Tumble Dryer	08
Dishwasher	09 - 10

BETTER TECHNOLOGY. BETTER WASH.

+ Add Garment Function

- Pause and add garment during the early stage of the wash cycle.

Door Is Not Allowed To Open If

- Washing cycle is in the washing stage.
- Water temperature is over 45°C.

Inverter Motor

- Low-power consumption.
- Low noise.
- Delivers extreme performance.
- Longer lifespan compared to non-inverter motor.
- Reduces the sound intensity more than 3 times.

Non-Inverter Motor	Inverter Motor
	29%* Electricity Saving
	25%* Noise Mitigation

* The above result is comparison made with non-inverter model EWF-E7152D(WH).

XXL Extra Large Door Design

- 492mm, upgraded diameter of the door.
- Easier access to check the laundry at a glance.

492mm XXL EXTRA LARGE DOOR

Drum Cleaning+

- Self-clean function to clean the tub.
- Heating up to 80°C for sterilization.
- Remove the stains and dirt from the inner wall of the tub to avoid bacteria growth.

CARING FOR CLOTHES, SAVING WATER AND ENERGY

Protein Stains

Step 1: Cold Water

- Remove protein stains in cold water at first stage.

Carbon Black Stains 40°C

Step 2: Warm Water

- Remove carbon black stains in warm water 40°C.

Oil/Mud 60°C

Step 3: Hot Water

- Remove oil, mud in hot water 60°C.

Before → **After**

Stain Wash+

- Intensively remove stubborn stains by three intensive wash cycles and three different washing temperatures.
- Efficiently remove stubborn stains such as Ink, Tomato Juice, Soft Drink, Red Wine, Soy Sauce, Oil, Juice, Chocolate, Color Water, Crayons, Coffee, and Lipstick.

* Only applicable for model EWF-J1040IN(WH), EWDC-J8051IN(WH) and EWDC-J1061IN(GD).

Quick Wash

- Enable fast washing that will be completed in just 16 minutes*.
- Ideal for small quantity clothes that you need in a hurry.

* Only applicable to Quick Wash Programme.

Colour Protection

- Cold water protects the colour from fading.
- Minimizes shrinking of clothes and prolong the lifespan.
- Recommended for delicate and colourful clothing.

* Only applicable for model EWF-J8020IN(WH), EWF-J1040IN(WH) and EWDC-J8051IN(WH).

HYGIENE CARE

Hygiene & Hygiene+

- Washes laundry with 60°C, 80°C or 90°C* water.
- Eliminate harmful bacteria and allergens to protect sensitive skin.
- Prevent bad odors.
- Recommended for babies' clothes, towels and bedding.

* Only applicable for model EWDC-J1061IN(GD).

	Hygiene	Hygiene+
Water Temperature Selection	60°C, 80°C	60°C, 90°C*
Suitable for	Allergy and Sensitive Skin only	Allergy, Sensitive Skin and Babies
Suitable for Laundry	Bedding, Towels	Bedding, Towels, Baby Clothes

Air Fusion

- Automatically keeps the laundry tumbling.
- Inject fresh air to prevent wrinkles and bad odors.
- Operate with 10 seconds of rotation every 4 minutes with an interval up to 8 hours.

* Only applicable for model EWF-J1040IN(WH).

2-IN-1 WASHER DRYER

EFFORTLESS TIP-TOP LAUNDRY

TUMBLE DRYER

SMART-MINDED MOTION

You can't predict the weather, but you can predict the outcome of clean dry laundry when you choose ELBA Tumble Dryer to aid you in drying your treasured clothes as and when you need them!

The Auto-Sensing Technology in this efficient dryer can help you determine the precise time your clothes are optimally dry, to help care for your clothes and keep them in pristine condition. Treat yourself to warm freshly scented garments straight from the machine! Now you can choose to wear that favourite shirt every day!

Reverse Tumble Action

ELBA Tumble Dryer minimises the wrinkling and tangling of clothes, and smoothens your clothing for easy ironing.

Auto-Sensing Technology

Achieve optimal drying with ELBA's Auto-Sensing Technology that detects moisture inside the drum and turns the dryer off at the perfect level so your favourite clothes achieve optimal drying to keep them lasting a lifetime.
