IMPORTANT SAFEGUARDS

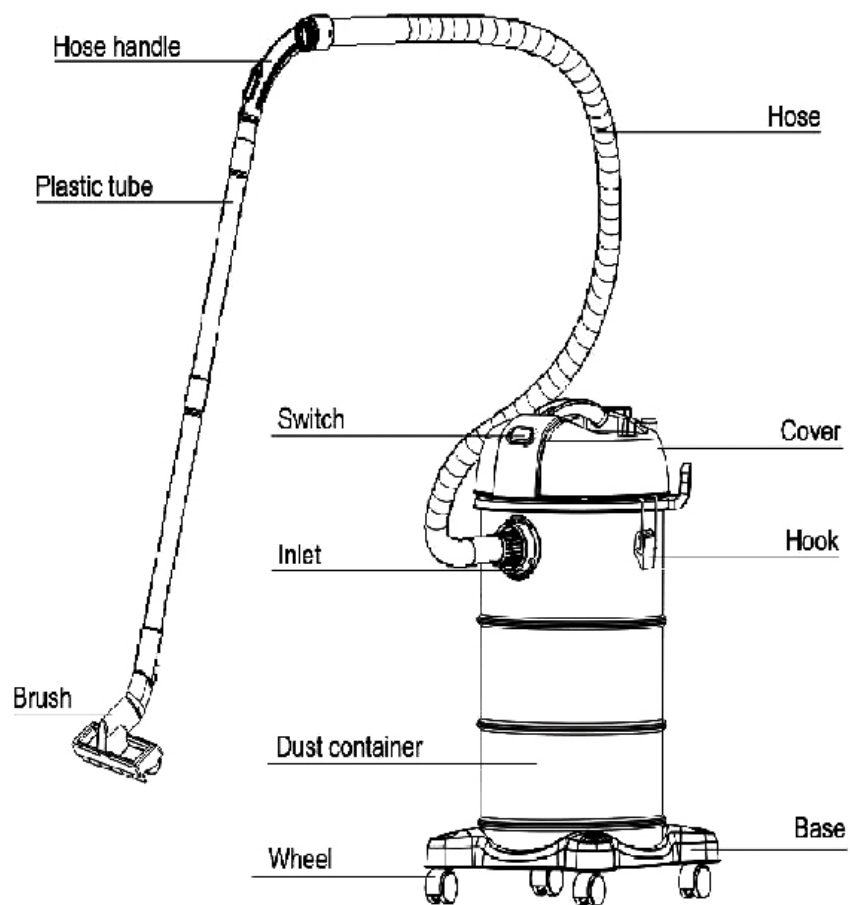

REMOVE ALL PACKING MATERIALS FROM THIS PRODUCT BEFORE USING IT. THIS APPLIANCE MUST BE INSTALLED ON A FLAT SURFACE. PLEASE ENSURE THE ELECTRICITY SUPPLY TO THE APPLIANCE IS DISCONNECTED BEFORE INSTALLING.

Please read this instruction carefully. It is advisable to keep this instruction manual in a safe place for future reference.

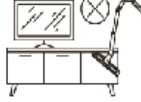

1. Read all instructions in this booklet carefully.
2. Do not operate the appliance with damaged power cord or plug, after the appliance malfunctions, or if it was dropped or damaged in any manner. Kindly return the appliance to the nearest authorized dealer or after-sales service centre for examinations, repairs, electrical or mechanical adjustments.
3. Always operate the product from a power source of the same voltage, frequency and rating as indicated on the product identification marking.
4. Do not unplug by pulling the power cord. To unplug, grasp the plug firmly.
5. Do not handle the plug or any other parts of the appliance with wet hands.
6. Do not leave the appliance unattended while operating. Ensure the appliance is powered off before carrying out any cleaning or maintenance operations.
7. Never use methylated spirits or other solvents to clean the appliance.
8. Do not put any objects into the hose inlet. Keep it free from dust, lint, hair and anything that may reduce airflow.
9. Turn off all controls before unplugging the appliance.
10. Take extreme care when cleaning on stairs.
11. Do not use the appliance to suck flammable or combustible liquids, such as gasoline, or use in areas where they may be present.
12. Do not use the appliance to suck anything that is burning or smoking, such as cigarettes, matches or hot ashes.
13. Unplug the appliance before connecting the hose.
14. Do not use without filter in place.
15. Never use any accessories or parts from manufacturers other than ELBA's.
16. Close supervision is necessary when the appliance is operating near children or infirm persons. Keep the appliance out of reach of children.
17. This appliance is for domestic use only and not for commercial applications.
18. Do not use this vacuum cleaner outdoor.
19. Do not operate it for purposes other than its intended use.
20. This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning the usage of this appliance by a person responsible for their safety.
21. Save these instructions for future reference.

Please read this operating instruction attentively, before you operate the appliance. It provides important notes for security, the use and maintenance of the appliance. If you have further questions, please contact our customer service.

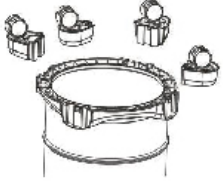

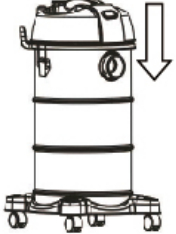

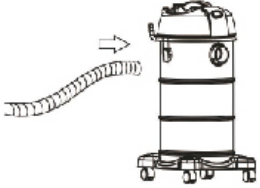

PRODUCT DESCRIPTION
