## Find Your Ring Size

Place a ring you currently wear and that is a perfect fit over the closest sized circle on the chart.

The inner edge of the ring should align with the outer edge of the circle.

0 1 2 in

0 50 mm

For best results when printing ensure the 'page scaling' option is set to 'none'. This document is design to be printed on an A4 paper size.

To ensure that this has printed to the correct scale, measure a ruler against the sample.
