## I GIVE BACK **10% OF MY PROFITS** TO RAINBOW RAILROAD

I give back all year round **10% of my profits** to the Rainbow Railroad Charity that helps LGBTQI+ refugees.

### **SUSTAINABLE**

Pardon My French prints are printed on heavyweight high quality velvet paper. All the products are ready for easy display in your boutique, they are packaged in plant-based & compostable display sleeves. The backing board is 100% recycled, the sticker is also biodegradable.

### **ABOUT ME**

After more than a decade working in the luxury industry as a graphic designer, I decided to fully embrace my Frenchness and create Pardon My French, combining my love for cursing & cursive.

Born and raised in France, I moved abroad in my early 20s. After the UK and Australia, I'm currently living in the Canadian forest with my husband & senior pug, Peggy.

### **WOMAN OWNED**

Pardon My French is a one woman show, I design, print, package everything from my home studio, in a village hidden in the forest, north of Montreal, Canada.
