Form Fit Walker

Sometimes, our bodies need assistance. For decades, specialists have trusted Form Fit supports, a complete range of quality products by Össur. A global leader in innovative orthopaedic products, Össur's biomechanical expertise has helped millions live Life Without Limitations.

That's why Form Fit is the Choice of Experts.

FORMFIT®

THE CHOICE OF EXPERTS

FORM FIT WALKER

The Form Fit® Walker Air provides immobilization for patients suffering from soft tissue injury; grades 2 & 3 strains and sprains, and stable fractures.

FORM FIT WALKER, AIR

The patented pneumatic system is designed to increase stability while decreasing pain and swelling. The intuitive pump and clearly marked decompression valve make air/pressure adjustments easy.

Features and Benefits

- High and low top versions available
- Integrated pneumatic system (Air version only)
- Low, wide rocker bottom promotes a stable, natural gait
- Shock absorbing sole for reduced impact at heel strike
- Breathable, seamless liner

Indications

- Soft tissue injuries
- Grade 2 and 3 sprains
- Stable fractures
- Post-operative, trauma or rehab use
