<b>Special features</b>	also suitable as ceiling mount
<b>Swivel</b>	360 °
<b>Type</b>	black
<b>Wall clearance</b>	160 mm
<b>Wall plate</b>	95 x 95 mm
<b>Weight</b>	0.65 kg

The practical wall and ceiling mount for smaller loudspeakers has been upgraded. A new feature is a cable outlet, which now provides an internal cable guide for hidden installations. Thanks to two special threaded pins and the Allen wrench / hexagon key included in the delivery, the universal joint can be positioned and set exactly. As such the load-bearing capacity increases to 10 kg. The wall distance has been reduced to 160 mm.
