Abdeckung 100% polyester

11 NOTICE

This is an ISOFIX CHILD RESTRAINT SYSTEM. It is approved to Regulation No. 44, 04 series of amendments for general use in vehicles fitted with ISOFIX anchorages systems.

It will fit vehicles with positions approved as ISOFIX positions (as detailed in the vehicle handbook), depending on the category of the child seat and of the fixture.

The mass group and the ISOFIX size class for which this device is intended is Group I- II- III 9-36kg and ISOFIX size class B1.

This child seat can be used as a "universal" or "semi-universal" seat.

This Child Restraint Treat as "Semi-universal" use and is suitable for fixing into the seat positions of the following cars:

CAR	FRONT	REAR	
	Outer	Outer	Centre
(Model)	No	Yes	No

Seat positions in other cars may also be suit able to accept this child restraint.

If in doubt, consult either the child restraint manufacturer or the retailer.

See Appendix for car model.

This Child Restraint Treat as “Universal” child restraint. It is approved to Regula tion No. 44, 04 series of amendments, for general use in vehicles and it will fit most, but not all, car seats.

A correct fit is likely if the vehicle manufacturer has declared in the vehicle handbook that the vehicle is capable of accepting a “universal” child restraint for this age group.

This child restraint has been classified as “Universal” under more stringent conditions than those which applied to earlier designs which do not carry this notice.

If in doubt,consult either the child restraint manufacturer or the retailer.
