Company Profile

- ▶ Design Excellence, Manufacturing Precision, Exceptional post/pre sales services are the traits which have positioned us at the top of the furniture industry.
- ▶ Our manufacturing facility incorporates most modern tools, jigs and fixtures. We at Finss think differently from those who believe furniture is a mere arrangement of decoration or features. We reckon the everybody spends almost 18 to 20 hours a day on furniture hence the comfort would contribute a lot to his/her productivity, pleasure, peace of mind etc.
- ▶ Finss range of products has been developed in our design studio after multiple years of painstaking research into various aspects of features, Comforts and utility. The range provides complete home and office solution and meets different requirements of different individuals.
- ▶ The overall quality and the performance of the finished piece depend as much on the quality of the components as it does on superior design and craftsmanship. Recognizing this, We ensure that all the components used in Finss are procured from companies of repute.
- ▶ We follow international standards of quality, packaging, coordination of colours, theme etc. our team of dedicated professional helps us, gain a competitive edge over other in the industry.
