

# Infinity Hybrid Luxe Tint Aftercare Instructions

## Keep dry for 24 hours

This allows your brow treatment, time to settle and stabilise.

## No fake tan, sunbeds or saunas for 48 hours

Active ingredients in tanning agents can react with your new brows, sweating can also wash away the skin grab

## Wash your face daily

Wash your face daily. As we want to avoid skin shedding build up, avoid harsh chemicals or exfoliating on your brows as this will fade the skin grab faster.

## Oil your brows

We recommend using your favourite brow oil on the area, and using your ring finger to pat in to the skin, this keeps the area hydrated and helps to extend the colour of your brows

## Fading is natural

Your tint is designed to last 7 days on the skin and 5-6 weeks on the hair, it is normal to add a little make up to your brows for the defined look after week 1. Remember each persons skin is unique, so this can vary
