

**Model** Boomstick Wireless Mono

### Title:

Boomstick Wireless Mono-Ear Wireless V5.1 Headset with Microphone Boom ,AI-Powered Calls,Mute Function, Charging Stand and Low Latency for Computer,PC,Laptop,50Hours playtime,Compatible with Zoom/Teams Platform and more.....

### Features:

1. **[Compatibility]** Easy connectivity to leading UC apps without the need to download extra software, thanks to plug-and-play functionality. Also,the included USB Dongle is pre-paired, eliminating the need for manual pairing to your computer.
2. **[Crystal Clear Calls]** Business grade noise-canceling microphone. It'll keep your communications crystal clear, so you can sound as professional as a sports broadcaster in a loud sports arena.
3. **[Easy Mute]** You can kiss those days of searching for a mute button goodbye! Right at the end of your mic boom sits a clear as day red button, that'll allow you to mute and unmute your microphone in a jiffy.
4. **[Idea for Working From Home/Office]** Ultra-slim and graceful, ideal for workers using a variety of desk phone, smartphone, laptop and PC communication.
5. **[50 hours Playtime and 32 hours Talk Time]** Get 32 hours of talk time and 50 hours music playtime from a single charge and then charge for 5 minutes for a 2-hours talking. You'll always be on time for talking calls.
6. **[With Charging Stand]** The charging stand for the wireless UC Headset provides easy charging type while keeping the device on the desk.
