

## THE RAMADAN FASHION STYLE GUIDE

---

For Ramadan 2021 we picked 30 outfits by Arab and international designers that are must wardrobe staple pieces during the holy month. From special Ramadan capsule collection pieces to befitting runway looks, the dresses and kaftans, that come in a diversity of styles from minimalist to playful or glamorous, are a great choice for all Ramadan gatherings, including family or friends Iftars and Suhoors. Stylish and comfy they take Ramadan fashion to new heights.
