**LM30-0018G** 18 hp (570cc) Briggs & Stratton V-Twin Vanguard OVH electric-start engine **\$8,980.00**

# LM30 & MN27 SERIES

## OPTIONAL ATTACHMENTS & ACCESSORIES

LM29-41150-A	Mobility System – Axle, suspension and wheels (does not include fenders, lights & wiring harness)	<b>\$1,570.00</b>
LM29-41150-B	Mobility System – Fenders, lights & wiring harness	<b>\$339.00</b>
LM29-41150-C	Mobility System – Support jack package (6 jacks)	<b>\$509.00</b>
LM29-41150-D	Mobility System – Subframe extension kit (not incl. support jacks)	<b>\$258.00</b>
LM29-41150-E	Mobility System – Support jack extension kit (2 jacks)	<b>\$205.00</b>
LM29-41170	Leveling Legs (Set of 10) (additional 2 required for each 4-ft extension)	<b>\$258.00</b>
LM29-41170-14	Leveling Legs (Set of 2)	<b>\$69.00</b>
ML26-41130	4-ft (1.2 m) Bed Extension	<b>\$279.00</b>
ML26-41400	Log Loading/Rolling & Ramp Package	<b>\$1,390.00</b>
MILL-41400-C	Log Loading Assist Ramp Kit	<b>\$478.00</b>
MILL-41285	Roller Toe Boards – Manual (Set of 2)	<b>\$918.00</b>
41287	Board Offloading Rollers (Set of 4)	<b>\$349.00</b>
41295	Rapid-Dogging & Rolling System (Set of 2)	<b>\$799.00</b>
LMMNV2-CD01	Cam Dog Kit (Set of 1) (for LM30 & MN27)	<b>\$54.00</b>
LM29V2-DRKIT	Log-Dog/Log-Rest Kit (1 dog, 1 rest)	<b>\$389.00</b>
41270-MK2	Lap Siding & Shingle Making Package	<b>\$1,120.00</b>
ML26-41290	Saw Carriage Cover (Norwood Orange)	<b>\$329.00</b>
ML26-41290G	Saw Carriage Cover (Norwood Green)	<b>\$329.00</b>
MILL-BGCRK	Dura-Guide Ceramic Blade Guide Retrofit Kit	<b>\$319.00</b>
MILL-WLKIT	Auto-Blade Lube System	<b>\$117.00</b>
41297	Digital Scale	<b>\$329.00</b>

### SPARE PARTS KIT

LM29-41300	Spare Parts Kit (Drive & Idler belts (x1) & 1¼" Blade-guide roller (x1))	<b>\$153.00</b>
ENGP-KIT913HON	Engine Parts Kit (for 13 hp Honda)	<b>\$47.00</b>
ENGP-KIT13BS	Engine Parts Kit (for 13½ hp Briggs)	<b>\$77.00</b>
ENGP-KIT14KO	Engine Parts Kit (for 14 hp Kohler)	<b>\$87.00</b>
ENGP-KIT1623BS-INTG	Engine Spare Parts Kit (Briggs 16, 18 & 23 hp)	<b>\$163.00</b>
ENGA-DRN-HONDA	Quick-Drain Oil Valve (for 13 hp Honda; 13½ hp Briggs; 14 hp Kohler)	<b>\$56.20</b>
ENGA-DRN-BRIGGS	Quick Drain Oil Valve (Briggs 16, 18 & 23 hp)	<b>\$47.00</b>

POWER OPTIONS:

**LUMBERMAX  
HD38**

<b>HD38-MAX23G</b>	23 hp (627cc)	Briggs & Stratton V-Twin Vanguard OHV electric-start engine	<b>\$14,690.00</b>
<b>HD38-MAX27G</b>	27 hp (800cc)	Honda V-Twin EFI electric-start engine	<b>\$16,490.00</b>

**LUMBERPRO  
HD36V2**

<b>HD36V2-PRO18G</b>	18 hp (570cc)	Briggs & Stratton V-Twin Vanguard OVH electric-start engine	<b>\$10,980.00</b>
<b>HD36V2-PRO23G</b>	23 hp (627cc)	Briggs & Stratton V-Twin Vanguard OHV electric-start engine	<b>\$11,590.00</b>
<b>HD36V2-PRO10E</b>	10 hp	Electric motor (7½ kW, 230 V, 1 Ph, 60 Hz)	<b>\$10,980.00</b>
<b>HD36V2-PRO15E</b>	15 hp	Electric motor (11 kW, 230/460 V, 3 Ph, 60 Hz)	<b>\$11,590.00</b>

# HD38 & HD36V2 SERIES

## MANUAL OPTIONAL ATTACHMENTS & ACCESSORIES

HD3X-41150	Mobility/Support Jack Package (Includes axle, wheels, suspension, lights, wiring harness, safety chains, and 6 support jacks)	<b>\$2,035.00</b>
LM34-SJ2	Support Jack Package (Set of 2)	<b>\$319.00</b>
LM34-41170	Leveling Stands (Set of 10) (additional 2 required for each 4-ft extension)	<b>\$798.00</b>
LM34-41170-14	Leveling Stands (Set of 2)	<b>\$189.00</b>
HD3X-41130	4-ft (1.2 m) Bed Extension – Permanent	<b>\$698.00</b>
LM34-41140	2-ft (0.6 m) Bed Extension – Detachable	<b>\$498.00</b>
LM34-41400	Log Loading/Rolling & Ramp Package	<b>\$1,290.00</b>
MILL-41400-C	Log Loading Assist Ramp Kit	<b>\$478.00</b>
MILL-41285	Roller Toe Boards – Manual (Set of 2)	<b>\$918.00</b>
41287	Board Offloading Rollers (Set of 4)	<b>\$349.00</b>
41289	Automatic Dogging Assist	<b>\$239.00</b>
41291	Log Rest Actuators (Set of 2)	<b>\$579.00</b>
41295	Rapid-Dogging & Rolling System (Set of 2)	<b>\$799.00</b>
LM34-DRRCRKIT	Log-Dog/Log-Rest Receiver Set	<b>\$81.00</b>
LM34-DRKIT	Log-Dog/ Log-Rest Kit (1 dog, 1 rest, bar & receivers)	<b>\$497.00</b>
LM34-CBKIT	Cross Bunk Kit	<b>\$287.00</b>
41270-MK2	Lap Siding & Shingle Making Package (Set of 2 jigs)	<b>\$1,120.00</b>
LM34-41290	Saw Carriage Cover (Norwood Orange)	<b>\$369.00</b>
LM34-41290G	Saw Carriage Cover (Norwood Green)	<b>\$369.00</b>
LM34-LS-94KIT	Lumber Scale Magnets (9/4", 6/4", 5/4" & 9/8")	<b>\$52.00</b>
LM34-LS-CMKIT	Lumber Scale Magnets (5 cm, 4 cm & 2 cm)	<b>\$52.00</b>
LM34-DSIND	Quick-Click Indexing Detent Networks Clicker Indicator (for HD36V2 & HD36)	<b>\$35.00</b>
HD3X-DS34S	Quick-Click Indexing Detent Networks Scale – 3/4" Detent Scale (for HD36V2 & HD36)	<b>\$39.00</b>
HD3X-DS64S	Quick-Click Indexing Detent Networks Scale – 6/4" Detent Scale (for HD36V2 & HD36)	<b>\$39.00</b>
HD3X-DS84S	Quick-Click Indexing Detent Networks Scale – 8/4" Detent Scale (for HD36V2 & HD36)	<b>\$39.00</b>
HD3X-DS25MMS	Quick-Click Indexing Detent Networks Scale – 25 mm (1") Detent Scale (for HD36V2 & HD36)	<b>\$39.00</b>
41297	Digital Scale (for HD36V2 & HD36)	<b>\$329.00</b>
HD36V2-4XADJ	4-Axis Adjustable Blade Guide Upgrade Kit (for HD36V2 & HD36)	<b>\$457.00</b>
HD36-41900	Lighting Kit	<b>\$159.00</b>

# HD38 & HD36V2 SERIES

## HYDRAULIC & POWER OPTIONAL ATTACHMENTS

### HD38 & HD36V2 HYDRAULIC ATTACHMENTS

LM34-HD-P1	Hydraulic Pump System (Integrated Power)	<b>\$3,730.00</b>
LM34-HD-P4	Hydraulic Pump System (Auxillary Gas-Powered)	<b>\$3,570.00</b>
LM34-HD-41400	Hydraulic Log Loaders	<b>\$2,230.00</b>
HD36-HD-41285	Hydraulic Roller Toe Boards (Set of 2)	<b>\$1,120.00</b>
LM34-HD-41500	Hydraulic Log Turner	<b>\$1,690.00</b>
LM34-HD-41600	Hydraulic Log Clamping System (2 Rests & 1 Dog)	<b>\$2,620.00</b>
NOR006-4EXT	Hydraulic Hose – Section for 4-ft extension	<b>\$59.00</b>

### HD38 & HD36V2 POWER ATTACHMENTS

LM34-PSH-5030	Power Sawhead (up/down only) (for HD36V2 & HD36)	<b>\$1,220.00</b>
HD36-5000	Power Feed & Power Sawhead (for HD36V2 & HD36)	<b>\$3,990.00</b>
HD36-5000-SW	IntelliSet Computer Networks complete with Power Feed & Power Sawhead (for HD36V2 & HD36)	<b>\$4,890.00</b>
HD38-5000	Power Feed (for HD38)	<b>\$3,490.00</b>
HD38-5000-SW	IntelliSet Computer Networks complete with Power Feed (for HD38)	<b>\$4,490.00</b>
HD3X-5000-SW-C	IntelliSet Computer Networks Conversion Upgrade (for HD38, HD36V2 & HD36 with power feed & power sawhead already installed)	<b>\$1,190.00</b>
LM34-PSH-5020	Power Feed Chain Kit for 4-ft extension (c/w connect link)	<b>\$42.00</b>
LM34-PSH-5010	Board Return (for HD36V2 & HD36)	<b>\$199.00</b>

### SPARE PARTS KIT

HD38-41300	Spare Parts Kit (Drive & Idler belts (x1); Guide roller(x1) & Ceramic (x1)	<b>\$204.00</b>
HD36-41300	Spare Parts Kit (Drive & Idler belts (x1) & Ceramics set (x1)	<b>\$182.00</b>
ENGP-KIT1623BS-INTG	Engine Parts Kit (for 16, 18 & 23 hp Briggs)	<b>\$163.00</b>
ENGA-DRN-BRIGGS	Quick-Drain Oil Valve (for 16, 18 & 23 hp Briggs)	<b>\$47.00</b>

# LOG MOULDER & ACCESSORIES

## POWER OPTIONS:

### LOG MOULDER LX26

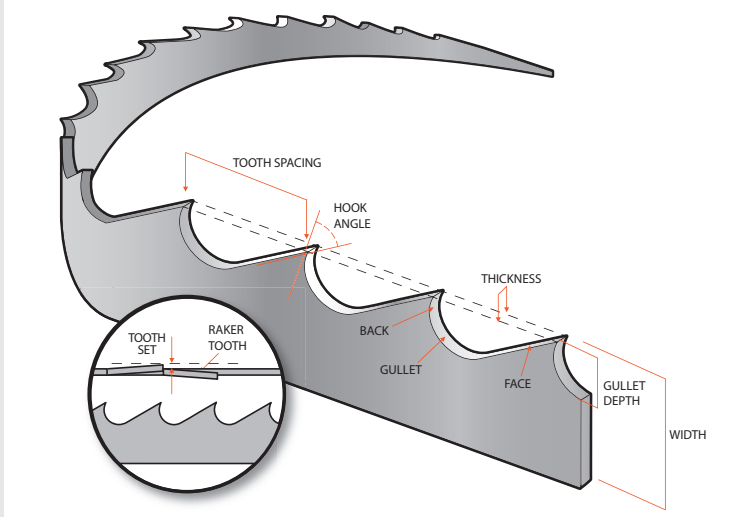

<b>LX26V2-0013G</b>	13 ½ hp (420cc) Briggs & Stratton recoil-start engine	<b>\$6,090.00</b>
<b>LX26V2-0013G-LD1</b>	13 ½ hp (420cc) Briggs & Stratton recoil-start engine + 16 ft. (4.8m) med-duty log deck	<b>\$7,990.00</b>
<b>LX26V2-0013G-LD3</b>	13 ½ hp (420cc) Briggs & Stratton recoil-start engine + 16 ft. (4.8m) heavy-duty log deck	<b>\$10,990.00</b>

LX26-CH8	Cutterhead Kit (8-inch) (Optional)	<b>\$987.00</b>
LX26-REST	Cant Rest (Optional)	<b>\$109.00</b>
LX26-KN-P-0035	Knives - 210 mm x 1.5" x 8 mm planer knives (1 pair)	<b>\$240.00</b>
LX26-KN-TD-6X8	Knife Profile Package - 6" x 8" Traditional D (Knives - 3 pair)	<b>\$1,140.00</b>
LX26-KN-SC-6	Knife Profile Package - 6" Swedish Cope (Knives - 2 pair)	<b>\$990.00</b>
LX26-KN-SC-8	Knife Profile Package - 8" Swedish Cope (Knives - 2 pair)	<b>\$990.00</b>
LX26-KN-TD-SC-6	Knife Profile Package - 6" Tongue & Groove (Knives - 2 pair)	<b>\$706.00</b>

# BAND BLADES

## AND BLADE MAINTENANCE EQUIPMENT

**BLADE LENGTH** is the overall length of the blade and is governed by the dimensions of your sawmill model.

Length	Norwood Sawmill Models
144"	LM30, MN27, LM29, MN26, ML26, LM2K, LL24, MK34
167"	HD38, HD36V2, HD36, LM34

WHEN YOU ORDER YOUR NORWOOD BAND SAWMILL TODAY, WE'LL ALSO SEND YOU YOUR

**FREE NORWOOD "OWNER'S EDITION" HAT**

Only for Norwood Owners, this special-edition cap isn't available to the general public.

## ORDERING IS EASY ...

- 1. Choose your equipment** – Pick the mill that’s right for you, then accessorize it to meet your exact needs.
- 2. Choose how you want to receive it** – Shipped right to your door, or you can pick-up at a Norwood factory warehouse.
- 3. Call TOLL-FREE at 1-800-567-0404** for a quote and to place your order or visit us at **NorwoodSawmills.com** to order online.

### ▶ **LOW FREIGHT COSTS**

Your Norwood can be shipped right to your front door for a lot less than you think – often for just a few hundred dollars. That’s because every Norwood mill is compactly packaged in kit-form on a single pallet so you don’t pay to ship air! Second, Norwood’s high shipping volumes have earned the industry’s biggest discounts on freight rates. Third, our carriers compete for each and every shipment, so you get the absolute lowest delivery rate possible.

Want all the numbers? Once you call, you can have your complete sawmill quote, including shipping, usually the same day. Call **1-800-567-0404** to get your personalized sawmill quote.

### ▶ **IN STOCK! GET STARTED TODAY**

We try to keep a large inventory of equipment which means we can usually ship your order off the loading dock in just 3 business days. Once your sawmill leaves the factory, it typically only takes about 3 to 10 business days to arrive at your door (within the lower 48 states and, in Canada, within the 10 provinces). Longer transit times may apply to more remote destinations. Call for availability and lead-times.

### ▶ **FREE CONSULTATION WITH A SAWMILLING SPECIALIST**

Speak with one of Norwood’s factory-trained specialists for a free consultation about your sawmilling and log harvesting needs. Even just a few minutes can be time well spent to explore your wood processing needs with a professional, and to match you with the perfect sawmill configuration for your milling operation. Rest assured, there is no obligation. This is a service we are happy to provide future sawyers.

### ▶ **TO CONFIGURE YOUR MILL, GET A QUOTE & GET YOUR NORWOOD ON THE ROAD**

Call **1-800-567-0404** from anywhere in the U.S.A. & Canada, Monday to Friday.

Visit **NorwoodSawmills.com**

Email: **info@NorwoodSawmills.com**

### ▶ **SETTING UP YOUR MILL**

Building and setting up your mill isn’t rocket science – most owners handle it in a weekend. And you’ve probably already got all the tools you need: combination and Allen wrenches, Phillips screwdriver, ratchet wrench with set of sockets, grease gun, adjustable wrench. If you can use these tools, you’ve got all that’s needed to assemble a Norwood.

To help you put it together, we give you a fully illustrated manual that leads you, step-by-step, through the whole process. It’s packed with exploded diagrams, cutaways, photographs and checklists – all written in plain English.

And we are here to help with lifetime toll-free support – from the moment your Norwood arrives, to your first cuts, to full production and beyond. Plus, you have unlimited access to Sawmill TV, Norwood’s online “TV” channel devoted exclusively to sawmills and successful sawmilling; it’s packed with 100’s of how-to videos that cover the ABCs to advanced sawing know-how.

*My Norwood mill was easy to set up and easy to operate.  
It works all day and doesn't break down.  
I've owned mine for over five years and have never had a breakdown.  
– Larry C. Brown, CA*

50,000 Norwood Sawmills  
are hard at work in 100  
countries worldwide.

A NORWOOD WILL  
WORK FOR YOU.  
Find out how.

SAWMILLS

**NorwoodSawmills.com**

## GUARANTEE

We know that you will be 100% satisfied with the value and performance of your Norwood equipment. We back that up with a 30-day money-back guarantee. If your Norwood equipment doesn't do everything we say, simply return it to us within 30 days after which we'll send you a refund (less the value of used blades and missing or damaged parts; shipping not included).

## WARRANTY

We're so convinced of the quality and durability of our band sawmills, that we will repair or replace at our discretion any part returned to us and found to be defective through manufacturing within the first two years of the original purchaser's ownership, with the exception of consumable items such as belts, blades, battery, bearings, etc... Norwood offers a one-year limited warranty on the PortaMill, Log Moulder, hydraulics and most other equipment. Engines are covered by a 2-year warranty directly with the engine manufacturer. Ask for full details.

## SHIPPING & DELIVERY OPTIONS

Because of our high volumes and negotiated discounts with a select group of freight companies, we can offer you the lowest possible shipping charges. Orders are shipped prepaid, which means that the shipping charges are paid at the time of your order.

In the U.S.A. and Canada, Norwood band sawmills and oversize orders ship by common-carrier freight truck directly to your residence or business so it is important that your delivery address is easily accessible to a tractor-trailer. Shipped in knock-down form, we package oversize orders on a 4' x 4' (1.2m x 1.2m) and 4' x 6' (1.2m x 1.8m) pallets and we band and stretch-wrap your order for secure shipping.

Most trucking companies require the driver to bring the shipment to the back of the truck. Because your sawmill order is shipped in knock-down form and consists of individual pieces and boxes each weighing up to 100 lbs., you can offload your order box by box and do not necessarily need special forklift equipment. If you cannot manage weights up to 100 lbs., you may want a helper to assist you to unload your order.

You or your designated agent must be present to accept the order and off-load it. If no one is at the delivery address to accept the order, redelivery and storage charges may apply. After your order has shipped, you may want to call the trucking company to confirm date of delivery; call us to obtain your carrier name and phone number, shipment tracking number and ship date.

If you would like to pick-up your sawmill order direct from one of Norwood's factory warehouses, call us toll-free at 1-800-567-0404 at least three (3) business days in advance so that we can have your order ready. You will need a pick-up truck, full-size van or enclosed trailer to pick up your sawmill or oversized order.

## PAYMENT OPTIONS

We accept bank transfers, bank (cashier's) checks, Visa, MasterCard and PayPal. All but the bank transfers undergo security verifications. Please note that where payment is made by credit card, Norwood can only ship to the same cardholder's address that the issuing bank has on file; if picking up, you must PIN your card. If payment is received by PayPal, Norwood must ship the order to the purchaser's secure verified PayPal address and pick-up is not feasible. All orders are to be prepaid in full prior to shipping.

## SHIPMENT OUTSIDE OF THE U.S.A. & CANADA

Not in the U.S.A. or Canada? Norwood services over 100 countries worldwide either factory-direct or through Norwood's network of authorized international dealers. Contact us to learn more at +1-705-325-0030 or by email at [info@NorwoodSawmills.com](mailto:info@NorwoodSawmills.com).

**IMPORTANT:** To ensure that you receive the best possible value, Norwood ships all equipment in knock-down form with step-by-step assembly instructions and detailed illustrations, exploded views and photos.

**IMPORTANT:** In all cases, before signing for any shipment (by signing the freight waybill or packing slip), check your order carefully upon delivery to ensure that you receive all pieces and boxes listed on your packing slip and that they are all in good order. All claims not reported in writing on the freight waybill at the time of delivery become the sole responsibility of the purchaser; failure to report missing or damaged pieces and boxes in writing on the freight waybill at the time of delivery nullifies your insurance and precludes any subsequent claims.

**DISCLAIMER:** Specifications, designs, descriptions, illustrative material and prices in this and all Norwood print and on-line media are as accurate as known at the time of publication, but are subject to change without notice. Horsepower (hp) ratings are shown as gross horsepower output representing a particular engine's maximum output under ideal conditions and are not a measurement of the engine's as-installed net horsepower output. Illustrations may include optional equipment and accessories and may not include all standard equipment. This literature has been compiled for worldwide circulation; while general information, pictures and descriptions are provided, some illustrations and text may include product features, options and accessories not available in all regions.
