May the LORD be your refuge and strength.

May He be for you an ever-present help in trouble,  
so that you will not fear—  
though the earth give way,  
though the mountains fall into the heart of the sea,  
though its waters roar,  
and the mountains quake with their surging.

May the LORD bring you to the river whose streams  
make glad the city of God,  
the holy place where the Most High dwells.

May the LORD Almighty be with you;  
and may the God of Jacob be your fortress  
both now and forever.

Amen
