FOR THE NEXT GENERATION

Truth:78

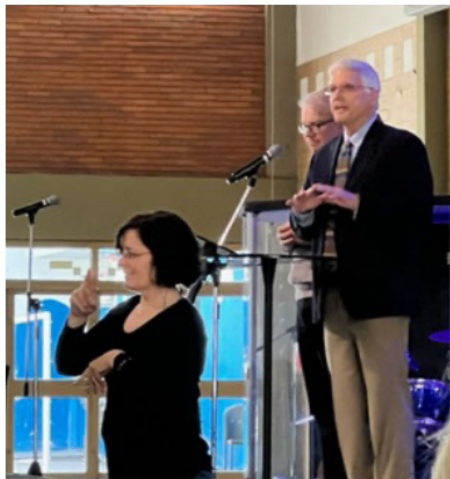

Dear Partner in Prayer,

Psalm 105:1 exhorts us to, “Give praise to the Lord, proclaim His name; make known among the nations what He has done (NIV).” This is exactly what our brothers and sisters are doing in Argentina! Last month, David and Gary from our team traveled there for a ministry opportunity with the Argentine Bible Society. Gary described the trip and how the Lord was at work:

We traveled to Buenos Aires, Argentina to participate in the Argentine Bible Society's "Month of the Bible" celebration. Ruben Del Re, executive director, and Rodrigo Guerra, director of projects, were wonderful hosts. David spoke at a conference casting vision for the discipleship of the generations. He was also interviewed on a local TV station, preached at a church, and led devotions for the ABS staff.

It was exciting to see how Ruben, Rodrigo, and their staff are not only motivated to get a copy of the Bible in the hands of every person but also desire to promote next generation discipleship within Latin America. One afternoon was devoted to meetings to explore how Truth78 and the Argentine Bible Society could partner together. ABS is interested in translating, publishing, and distributing our resources. God has given us this opportunity to spread His gospel not only in Argentina, but to serve all of the Spanish-speaking world. Please pray with us as we endeavor to do His will.

As year-end plans begin to unfold, we look back with gratitude for the many ways our Lord was at work in 2022. I invite you to join our team at Truth78 in praying for the nations with this prayer from David Michael:

Blessed be Your name, Almighty God! From the rising of the sun to its setting, may Your name be praised! You are high above all nations. Your glory is above the heavens! Our plea is that Your glory be known to the ends of the earth and to all generations. So God, let all the nations and generations be glad!

To that end, Lord, we pray that You will multiply the number of Spanish-speaking tongues that sing Your praise and that one day will declare before Your throne, "Worthy is the Lamb who was slain, to receive power and wealth and wisdom and might and honor and glory and blessing!"

Open doors for the Word to spread in Spanish through faithful, Spanish-speaking witnesses who will declare the mystery of Christ, not only in the Americas and Spain, but throughout Europe, Asia, and Africa. As Your fame spreads throughout Latin America, raise up millions who will tell their children of Your glorious deeds, even those who are yet to be born, so that they might rise up and tell their children, so that the coming generations of Spanish-speakers will set their hope in God.

Thank you for the growth of Your Church and for the vision and passion that You have given to our gospel-spreading brothers and sisters, not only to make Your name great throughout Argentina, and not only to spread Your praise beyond their borders to all of Latin America, and not only to declare Your glory to the nations, but, Lord, we thank You for the vision You have given to the Argentine Bible Society and others to reach the next generations. Oh God, prosper every work of faith, labor of love, and hope-filled resolve to pursue the everlasting joy of the next Spanish-speaking generations.

Oh Lord, how soon it will be when together with our brothers and sisters among every nation, tribe, language, and people see You face

to face. Until that great day, keep our ears open and our hearts responsive to Your Word. And, let Your Kingdom come, Your will be done, and Your word triumph in every nation and generation for Your glory and the everlasting praise of our King of kings and Lord of lords, in whose name we pray.

Amen.

Thank you for committing to pray for the next generation,

Marcia Olynyk
