Read the "How to Use" document for further information on how to use the various formats of the media files.

To access and use the PDFs, you will need a free Adobe Reader® program (available at [adobe.com](http://adobe.com)).

**Important Note: Save Your Visuals**

All visuals should be saved for potential use throughout the study. See the list in this Appendix section of visuals not included that the teacher must provide.

**Visuals for Electronic Display**

For large classrooms where 8-1/2" x 11" printed visuals might present a learning barrier, a PDF of visuals intended for electronic display has been included. Another option for large classrooms would be to print the PDF of printed visuals on legal- (11" x 17") or tabloid-size (17" x 22") paper.

**Curriculum Logo Files**

Printable PDFs and PNGs are included for churches that might wish to include the logo on promotional materials.
