God Always Wins is a study for children on the greatness of God in salvation. The study is designed to help children see that God wins over everyone and everything. It also encourages children to want to be on God's side, and it helps them to understand how to be on God's side. The study contains five lessons that present God as greater than all and most important—there is no one like God.

Lesson 1: God Wins Over Kings and Armies

Memory Verse: Isaiah 46:9b

Through the examination of four biblical events (the 10 plagues, Israel versus the Amorites, Israel defeats Midian, and Nebuchadnezzar's humiliation), children will see that God wins at everything He does, all the time. The kings and armies of the world cannot resist God. He is greater than all the kings of the world.

Lesson 2: God Wins Over All Gods

Memory Verse: Psalm 135:5

In this lesson, children will see that God is the one true God and wins over all gods. Other gods are powerless, and it is easy for God to win because nothing is too hard for Him. Children will also learn that God deserves to be in first place; it is wrong to place anything before God.

Lesson 3: God Wins Over Satan, Death, and Sin

Memory Verse: John 1:29b

All people have a sin problem. Jesus died to free people from Satan, death, and sin because He is more powerful than these things—He is the winner over Satan, death, and sin. Children learn that God wins even when it looks like He is losing.

Lesson 4: God Wins in the End (The Last Battle)

Memory Verse: Revelation 19:1b

Children will discover that there will be one last, great battle in which Satan and all the forces of evil will battle against God, but God will win and bring His children home with Him. The last battle is good news for those who trust Christ, but it is bad news for those who do not trust Christ.

Lesson 5: Whose Side Are You On?

Memory Verse: Matthew 6:24a

The final lesson teaches that no one can serve two masters; you are either for God, or you are against Him. If you are not on God's side, you can get on His side. God draws sinners to Himself. He will help sinners to get on His side.
