**WITH YOUR SMALL GROUP**

Take turns explaining one or more of the attributes of God to your group. How does this aspect of God's character affect your life? (i.e. "God is self-sufficient means I do not have to help Him out. He does not need my efforts to help Him. Because He has no needs, He is free to bless me. So instead of thinking that I am doing something great for God when I spoke up in class defending pro-life legislation, I should be grateful for the privilege of speaking truth.")
