TATHRA TABLE

The Eden and Tathra collections celebrate leisure time and family. Named after two of the south-most towns in NSW Australia, they hold special memories of family holidays in the designer's youth. Exploring wild coastlines with unique rock formations during the day and sharing meals with loved ones during lazy afternoons. It's those memories and the eternal stone formations of the surrounding landscapes that inspired these furniture pieces.

Tathra is a place for gatherings, conversation, and play. A quiet statement piece with no vulgarity or distractions. The soft sculpted forms of the pedestal are reminiscent of ancient tree trunks while the stone top has soft edges as if polished by the ocean - a true meeting of the elements. Tathra is a table collection that is timeless like the landscapes and memories that inspired it.
