Finished Measurements: Approx 2½" [6.4 cm] in diameter.

SPECIAL STITCH

sc2tog = [draw up a loop in next st] twice, yarn over and draw through all 3 loops on hook.

NOTES

To make an adjustable ring, work as follows: loop yarn around 2 fingers and hold this ring in hand opposite hook between thumb and first finger. Insert hook through ring, yarn over, and pull up a loop. Chain as required. Work first round of stitches through center of ring. When round is complete, hold round securely with one hand and pull tail to cinch ring closed. When changing colors, draw new color through 2 loops on hook to complete last sc. Work in continuous rounds unless otherwise stated.

Move stitch marker (safety pin) as work progresses.

Work as for Striped Ball, using **A** for background and **B** and **C** for polka dots. Each polka dot is worked over 3 rounds.
