Our ghosts made with Aunt Lydia's Classic 10 Crochet thread are just tassels in disguise. Add trendy tassels made with Aunt Lydia's Classic Crochet to your crafts and accessories.

MEASUREMENTS

30" long

DIRECTIONS

1. Wind thread 40 times around a 4" square of heavy cardboard.

2. Cut a 10" length of thread and tie around the top of the thread in a tight knot.

3. Cut the bottom of the thread, releasing it from the cardboard square.

4. Carefully comb the strands of thread together to form the body of the ghost. Trim the bottom of the ghost to straighten, if needed.

5. Punch out “eyes” from black craft foam with a hole puncher.

6. Glue eyes onto the ghost with white craft glue.

7. Repeat procedure to create 5 more ghosts. Tie the ghosts to a 36" thread to complete the ghost garland.

8. As an option, and a fun addition to the garland, tie an orange bow and glue to one of the ghosts for a cute “girlie” ghost! Image Ghost beauty shot 3
9. Hang garland on a mantle, or a chalkboard, or anywhere you want, for a little ghostly decor!
