✂️ CRAFT | SKILL LEVEL: **EASY**

Featuring Aunt Lydia's® Crochet Thread Classic™ 10

MEASUREMENTS

2½" diameter

ASSEMBLY

1. Draw and cut one 2½" diameter circle from cardstock.
2. Use the cardstock circle to trace and cut out two felt circles.

3. Glue the cardstock circle inside the two felt circles to create a disc.

4. Repeat the disc making process to create several felt covered discs.

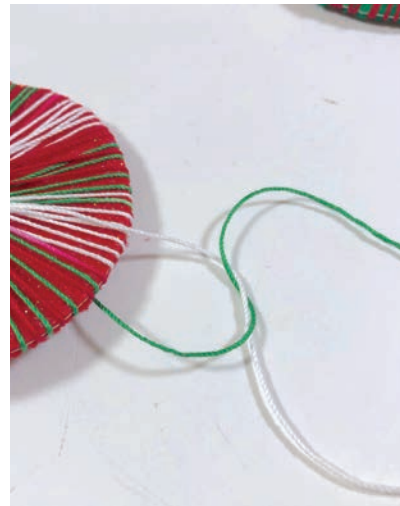

5. Wind thread around the disc, leaving a 6-inch tail.

6. Continue to wind the thread around the entire disc while rotating clockwise, with 1/8" space between each thread.

7. Tie the two ends of the thread together in a knot when the entire disc is wound. Use the ends of the thread to tie the disc ornament to a Christmas garland or tree.

8. Repeat the steps to create several ornaments with all the different colors of felt and thread.

9. Tie all the completed Christmas Disc Ornaments to your holiday tree or garland. These beautiful ornaments are also great to use on gift wrap, or to hang together as a garland!
