INSTRUCTIONS

Notes:

- Blanket is worked corner to corner.
- Fur section of yarn will be used for **edging only**.
- As Fur yarn appears in ball, cut yarn and save Fur yarn for edging when Blanket is complete.
- Rejoin yarn from ball after Fur section is removed.

- To maintain consistent texture changes, join new ball of yarn to match last texture change of previous ball. This will help to ensure texture repeat will match as closely as possible.
