## INSTRUCTIONS

## Notes:

- Beg working from darkest end of yarn at center of Blanket.
- To maintain ombre effect join next ball from opposite end so shades match (lightest end to lightest end or darkest end to darkest end) as necessary, resulting in a fade from dark-tolight to light-to-dark, and back again across the Blanket.
- Ch 3 at beg of each rnd counts as dc.
- All rnds are joined with sl st to top of ch-3, unless otherwise stated.
