Foundation row: Using pointer finger and thumb, pull working yarn up through loop to create a chain stitch. Continue in this manner, making sure to keep the loops loose, until you have 25 chains.

(Skipped first chain already has 'live' loop which counts as first stitch of row). Repeat from * to end of chain. **Do not** turn work. 25 stitches.*

2nd row: Working from **left to right**, and with working yarn held at back of work, pull loop approx 2" [5 cm] long from working yarn up through first stitch from back to front. *With working yarn held at front of work, pull loop approx 2" [5 cm] long from working yarn up through next stitch from front to back. With working yarn held at back of work, pull loop approx 2" [5 cm] long from working yarn up through next stitch from back to front. Repeat from * to end of row. **Do not** turn work.

3rd row: Working from **right to left**, and with working yarn held at front of work, pull loop approx 2" [5 cm] long from working yarn up through first stitch from front to back. *With working yarn held at back of work, pull loop approx 2" [5 cm] long from working yarn up through next stitch from back to front. With working yarn held at front of work, pull loop approx 2" [5 cm] long from working yarn up through next stitch from front to back. Repeat from * to end of row. **Do not** turn work.

Rep 2nd and 3rd rows until work from beginning measures approx 48" [122 cm], ending on a 2nd row.

Bind off: Next row: Working from **right to left**, pull loop approx 2" [5 cm] long from working yarn up through first stitch at back. *Pull loop approx 2" [5 cm] long from working yarn up through next stitch. Pull stitch just made through previous stitch. Rep from * to end of row. Break A, leaving a tail. Pull tail through remaining loop and pull to secure.
