GAUGE

2.5 stitches (sts) and 3.5 rows = 4" [10 cm] in stocking st.

INSTRUCTIONS

Make a slip knot, being sure to keep the loop loose enough to fit fingers through.

Foundation row: Using pointer finger and thumb, pull working yarn up through loop to create a chain stitch. Continue in this manner, making sure to keep the loops loose, until you have 11 chains.

1st round: Lay chain flat, with 'smooth' side facing up, and working yarn at right end of chain. *Working from right to left, with working yarn held at back of work, *pull loop approx 1½" [4 cm] long from working yarn up from through top of second chain at back. (Skipped first chain already has 'live' loop which counts*

*as first stitch of row). Rep from * to end of chain. (10 stitches). Turn work clockwise and work in remaining loops of foundation chain. ****Working from right to left, with working yarn held at back of work, pull loop approx 1½" [4 cm] long from working yarn up from through remaining loops of foundation chain. Rep from ** to 7 times more. 18 stitches total.***

2nd round: *Working from right to left, and with working yarn held at back of work, pull loop approx 1½" [4 cm] long from working yarn up through first stitch from back to front. *With working yarn held at back of work, pull loop approx 1½" [4 cm] long from working yarn up through next stitch from back to front. Rep from * around.*

Rep 2nd round until work from beginning measures approx 28" [71 cm].

See Table Knitting video [here](#). Place pillow form inside. Fold work flat, matching sts.

Bind off row: *Working from right to left*, pull loop approx 2" [5 cm] long from working yarn up through first stitch at back. *Pull loop approx 2" [5 cm] long from working yarn up through next stitch. Pull stitch just made through previous stitch. Rep from * to end of row. Break yarn, leaving a tail. Pull tail through remaining loop and pull to secure.
