CRAFT I SKILL LEVEL: **EASY**

MEASUREMENTS

Approximately 16" [40.5 cm] deep x 24" [61 cm] around.

INSTRUCTIONS

Note: Right side of project is facing at all times.

Count 20 loops for foundation row (noting yarn end is at far right and all loops are facing upwards).

1st row: Working from *left* to *right*, pull the 21st loop (from 'working yarn') up through 20th loop (last loop of foundation row) from behind to create a knit stitch. Pull next loop from working yarn up through next loop of foundation row. Continue in this manner to end of row. **Do not** turn work. 20 stitches in row.

2nd row: Working from *right* to *left,* with working yarn in front, pull next loop from working yarn towards back through last stitch worked on previous row. *Pull next loop from working yarn towards back through next stitch. Repeat from * across to end of row. **Do not** turn.

3rd row: Working from *left* to *right*, with working yarn in back, pull next loop from working yarn up from behind through last stitch worked on previous row. *Pull next loop from working yarn up from behind through next stitch. Repeat from * across to end of row. **Do not** turn.

Repeat 2nd and 3rd rows until Cowl measures approximately 24" [61 cm], ending on a 3rd row.

Bind off row: Working in **same direction as last row,** pull 2nd stitch through first stitch. Pull 3rd stitch through 2nd stitch. Pull 4th stitch through 3rd stitch. Continue in this manner to end of row. Leave at least 15" [38 cm] of working yarn attached for seaming.

Seam: Fold Cowl in half (with wrong sides facing together). Working along *top* and *bottom* edges, pull first loop from working yarn up through both thicknesses. Working evenly along edge, pull 2nd loop up through both thicknesses. Pull first loop through 2nd loop. Continue in this manner along edge. Cut last loop to create yarn tail. Pull yarn tail through last loop. Tie to secure and weave in ends.
