

CRAFT | SKILL LEVEL: EASY

### MEASUREMENT

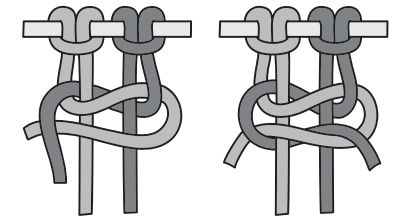

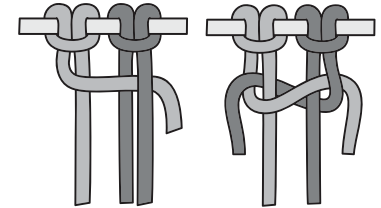

Approx 59" [150 cm] long.  
To fit plant pot approx 6-10"  
[15-25.5 cm] diameter.

### INSTRUCTIONS

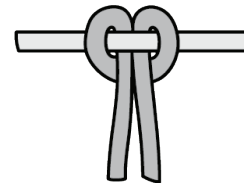

#### Notes:

- Tape ring to flat work surface for ease of working.
- Do not tie knots too tightly. Tighten cords just enough to secure knot.
- Text in **bold** refers to knots illustrated with diagrams.

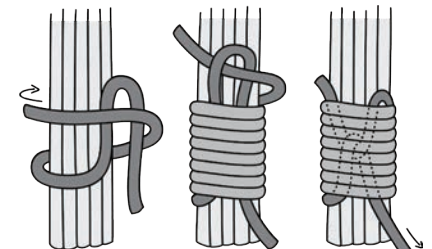

### Square Knot

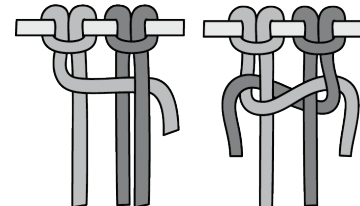

### Reverse Lark's Head Knot

### Gathering Knot

### Half Knot

### MATERIALS

**Bernat® Macrame™** (8.8 oz/250 g; 44 yds/40 m)

Taupe (66002)

**2 balls**

Transparent tape. Wooden ring approx 2½" [6 cm] in diameter.  
Hair comb for fringe.

## INSTRUCTIONS

1. Cut 6 cords 10 yds [9.25 m] long.
2. Fold cords in half and tie in **Reverse Lark's Head Knot** to ring.
3. Divide cords into 3 groups of 4 cords.
4. With one group of 4 cords, tie **Half Knot** as follows:
  - Left and right-most cords are knotting cords. 2 cords in center are knot-bearing cords.
  - Bring the left knotting cord to the right over the two knot-bearing cords and underneath the right knotting cord.

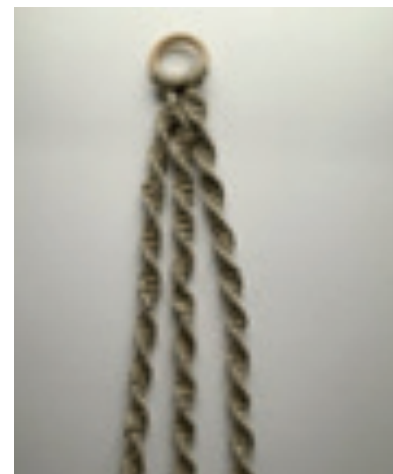

- Bring the right knotting cord to the left under the two knot-bearing cords and over the left knotting cord.
- Pull knotting cords to secure the knot.

5. Repeat Step 4 to create **Half Knot Sennit** measuring 20" [51 cm] from ring (knots will naturally form spiral).

6. Repeat Steps 3 and 4 to create Half Knot Sennits with remaining 2 groups of 4 cords.

7. Take one knotting cord and one knot-bearing cord from first group and second group together to form new group of 4 cords.
8. Tie **Square Knot** 5" [12.5 cm] below last **Half Knot** of **Half Knot Sennit**.

9. Continue to tie **Square Knots** to create Square Knots sennit 6" [15 cm] long.

10. Take remaining cords from second group and one knotting cord and one knot-bearer cord from third group to create new group of 4 cords.

11. Repeat Steps 8 and 9 for new group of 4 cords.

12. Take remaining cords from third and first groups to create new group of 4 cords.  
13. Repeat Steps 8 and 9 for new group of 4 cords.

14. Cut new cord 2 yd [1.8 m] long. With new cord, tie **Gathering Knot** around all cords close to end of Square Knot Sennits. Trim ends of cord close to knot.  
15. Trim loose cords 16" [40.5 cm] from **Gathering Knot**.

16. Un-ply each loose cord by twisting cord clockwise until plies loosen, separating plies from the cut end up to knot. Comb fringe and trim evenly.
