Notes:

- This hat is made by changing to a new color in the skein when indicated. If preferred, you can crochet straight through the skein without changing colors.
- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove.
- Separate colors by gently pulling apart and cutting at the color transition. Each color is ready to use. For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition.
- Each color is ready to use. Follow color guide shown in Materials section for each O'Go (Contrast A to E). You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag A to E.
