### Notes:

- Before working with Caron® x Pantone™ Bamboo™ multi-shade yarn braid, separate each color link and wind into 5 separate balls.

- Each color link will be referenced by its Pantone # (see ball band)
- Due to finite amount of yarn in each shade, pattern gauge must be matched to ensure successful results.
- To join new color, work to last loops on hook of first color. Yoh with new color, draw through loops and proceed with new color.
- Ch 2 at beg of row does not count as hdc

With Color 1, ch 46.
