INSTRUCTIONS

Notes:

- Before working with Caron® x Pantone™ multi-shade yarn braid, separate each color link and wind into 5 separate balls for each braid.

- Each color link will be referenced by its Pantone™ color # (see label).
- Designate each yarn ball Contrast, A, B, C, D and E as noted in Materials section (or as desired).
- Due to finite amount of yarn in each shade, pattern gauge must be matched to ensure successful results
- To join new color, work to last loops on hook of first color. Yoh with new color, draw through loops and proceed with new color.
