## INSTRUCTIONS

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove.
- For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use. Follow color guide shown in Materials section for O'Go (Contrast A, B, C, D and E). You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag A, B, C, D and E
- When working from chart, carry yarn not in use loosely across top of work. Work next row over strand of yarn which is not in use.

- To change color, work to last loops on hook and draw new color through last loops, then proceed in new color.
- Do not** join at ends of rnds unless otherwise stated. Cont working in spiral placing marker on first st of rnd for easier counting.

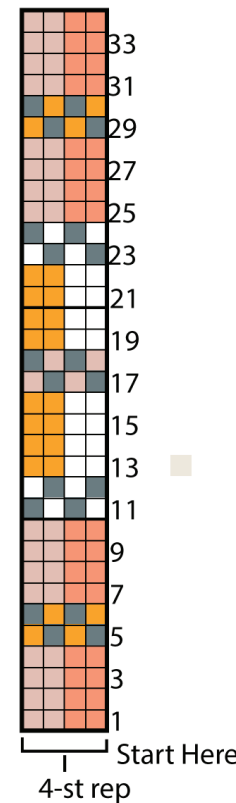

With C, ch 60 loosely. Join with sl st to first ch to form a ring. PM for beg of rnd.

**1st rnd:** Ch 2 (**does not** count as st). 1 hdc in each ch around. **Do not** join. Work in continuous rnds. PM for beg of rnd.

Work Chart to end of chart, noting 4-st rep will be worked 15 times, *reading rnds from right to left.*

**1st rnd:** 1 splhdc in each st around. Rep last rnd, until 34th rnd of Chart is complete. Fasten off.
