INSTRUCTIONS

Notes:

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove.
- For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use. Follow color guide shown in Materials section for each O'Go (Contrast A, B, C, D and E). You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag A, B, C, D and E.
- Start crocheting!
- To change color, work to last 2 loops on hook and draw new color through last 2 loops, then proceed in new color.
- When working from chart, carry yarn not in use loosely across top of work. Work next row over strand of yarn which is not in use.
