INSTRUCTIONS

SPECIAL TECHNIQUE

Adjustable-ring method — Wrap yarn into a ring, ensuring that the tail falls behind the working yarn and is at least 4"/10cm long. Between finger and thumb, grip ring and tail firmly. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Yarn over and draw through loop on hook (first chain stitch made). Work stitches of first round in the ring. After the first round of stitches is worked, pull gently, but firmly, on tail to tighten ring.
