INSTRUCTIONS

Notes:

- Before working with Caron x Pantone multi-shade yarn braid, separate each color link and wind into 5 separate balls.

- Each color link will be referenced by its Pantone # (see label).
- Designate each different shade of 5 separate yarn balls as Contrast A, B, C, D and E as noted in Materials section (or as desired).
- Due to finite amount of yarn in each shade, pattern gauge must be matched to ensure successful results.
- When joining colors, work to last 2 loops on hook of first color. Draw new color through last 2 loops and proceed.

TOP and BOTTOM (make 2 pieces alike)

Note: Stepping Squares are worked in 5 Strips and joined together before body is worked on the bias.
