### **GAUGE**

10 hdc and 8 rows = 4'' [10 cm].

#### **INSTRUCTIONS**

The instructions are written for smallest size. If changes are necessary for larger sizes the instructions will be written thus (). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.

#### **Notes:**

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove
- For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use. Follow color guide shown in Materials section for each O'Go (Contrast A, B, C, D, E, F, G, H, I). Note that E appears in both Salt and Pep and Lippy O'Gos. You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag A, B, C, D, E, F, G, H, I.

- To change color, work to last 2 loops on hook and draw new color through last 2 loops, then proceed in new color.
- All rnds are joined with a sl st in first hdc.
- Turn at end of each rnd to alternate working on RS and WS of work.
- Ch 2 at beg of rnd does not count as st.
