## INSTRUCTIONS

### Notes:

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove.
- Separate colors by gently pulling apart and cutting at the color transition. Each color is ready to use. For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use. Follow color guide shown in Materials section for each O'Go (Contrast A to J). You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag A to J.
- Ch 2 at beg of row **does not** count as st.
- To change color, work to last 2 loops on hook of first color. Draw new color through last 2 loops and proceed in next color.
- Cardigan is worked in patchwork squares joined together as shown in diagrams for Back, Fronts and Sleeves.

- Ribbing, button bands and collar are worked during finishing
