INSTRUCTIONS

The instructions are written for smallest size. If changes are necessary for larger sizes the instructions will be written thus (). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.

Notes:

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove
- For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use. Follow color guide shown in Materials section for each O'Go (Contrast A to J). You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag A to J.
- Vest is worked flat in 2 pieces using crochet intarsia technique and following chart for color placement.

- Ribbing is worked side to side and Front and Back pieces are worked onto long edge of Ribbing.
- When working from chart, wind small balls of the colors to be used, one for each separate area of color in the design. Start new colors at appropriate points. **Do not** strand yarn across stitches use intarsia technique. To change color, work to last 2 loops on hook, yoh with new color and pull through 2 loops on hook to complete st and proceed in new color.
