Rep last 2 rows for Tunisian Full St Pat, noting that alternating where sts begin and end on these 2 rows maintains even side edges.

Note: When working Tunisian Full St Pat, make sure that when you beg in 1st space of row, be sure to SKIP the last space in that same row. When you beg in 2nd space of row, make sure you DO work into the last space. To make sure you are not gaining or losing sts a good tip is to regularly count st number on your hook after each forward pass – should always be 150 sts.

Proceed in Stripe Pat as follows:
 With B, work 1 row in Tunisian Full St Pat.
 With A, work 1 row in Tunisian Full St Pat.

These 18 rows form Stripe Pat.

Cont in Stripe Pat until work from beg measures approx 55" [139.5 cm] (width of Blanket), ending at ** of Stripe Pat. Fasten off.

Side Facing: 1st row: (RS). With U.S. J/10 (6 mm) crochet hook, join A with sl st in bottom right corner of Blanket. Ch 3 (counts as dc). *Working in back loop only of each st across last row of Blanket*, work 1 row of dc evenly along side edge to opposite corner. Fasten off. Fold Facing (approx. 1¼" [3 cm]) to WS of Blanket. With T-pins, pin Facing in position and whipstitch in place (this will prevent curling edges).

Rep along opposite side in back loops only of first row of Blanket.

If desired, block side edges of Blanket by pinning onto a flat surface, covering with a damp cloth and allowing cloth to dry.

Fringe

Cut strands of A, B, C and D 14" [35.5 cm] long. Taking 3 strands tog, fold in half and knot into fringe across both ends of Blanket, matching fringe to Stripe Pat (see photo). Trim fringe evenly.
