## INSTRUCTIONS

**Notes:**

- Before working with Caron x Pantone multi-shade yarn braid, separate each color link and wind into 5 separate balls.

- Each color link will be referenced by its Pantone color # (see label
- Designate each different shade of the 5 separate yarn balls as Contrast A, B, C, D and E as noted in Materials section (or as desired).
- Due to finite amount of yarn in each shade, pattern gauge must be matched to ensure successful results
- When working from chart, carry yarn not in use loosely across WS of work, but never over more than 5 sts. When it must pass over more than 5 sts, weave it over and under color in use on next st or at center point of sts it passes over. The colors are never twisted around one another.
